

# *The* SALSA TRAIL

Mango Salsa, The Food Network

The word authentic gets abused quite regularly. Like fresh, gourmet and boutique, the word authentic suffers from overuse and its meaning gets diluted.

The Salsa Trail is as authentic as it gets.

The Salsa Trail consists of a collection of a dozen Mexican-American restaurants, a tortilla factory and a chile farm in the Eastern Arizona towns of Safford, Pima, Thatcher, Solomon, Clifton, Duncan, Willcox and York.
